Van Project

Watch Jennie and Maryann welcome the new van by using the QR code below.

The 2024 golf event will help us replace the final van in our 13-vehicle fleet. Last year's event got us a new van for our Budd Lake Group Home!

Scan the QR code below with your smartphone to watch a quick video of its arrival.

Note: Rose House does not receive funding from Medicaid or the State of NJ for our vans, which is why this event is so important.
