

Dear Friend of Rose House:

I am thrilled to share some great news with you. Rose House has been approved to build a new, affordable housing complex for 12 adults with special needs in beautiful Chester Township, NJ!

The forever home in Chester Township, NJ

For 25 years, Rose House has provided housing and 24/7 care for adults with developmental disabilities throughout Morris County, NJ. The new housing complex will be our seventh forever home.

We now need support from our community more than ever. Please help us raise the funds needed to make this project come to life through a tax-deductible donation.

Together we can make this dream come true for those who need it most. This holiday season, please consider helping Rose House continue to make a positive impact on those with special needs with a donation. Your kindness and generosity can truly change lives.

With gratitude,

Tom Mitchell, CEO
